Mr. Lowndes,

I am writing in response to your 2025 Internal Affairs complaint regarding your allegation against Officer Thomas Fay. Upon receiving your submission through the department's Internal Affairs portal on February 22, 2025, the matter was investigated by the Internal Affairs Division under Report 1410-25-0046. A thorough review of departmental records was conducted; however, no documentation related to the 1992 incident you described could be located.

As Officer Thomas Fay is retired and no longer a member of this department, the East Hanover Police Department has determined that the allegation is unfounded, and the investigation has been closed. We previously attempted to provide you with a disposition letter but were unsuccessful. At your request, this disposition letter is being sent to you via email at plowndes@hawaii.edu.

Regards,
Cpt. K. Croker
